Prerequisites

Check All That Apply or

Click on Not complete

In order to qualify to get into the
CAPSCARE RN Program ASN Program

Seats in the Nursing Portion will be based on
compliance and completion

Seats are limited to 24 per semester

Total cost of Twenty Four month
program for Full and part time

28,000.00

1158.00 Books and Materials
(nursing portion only)

(prerequisite

118.00 for the entrance exam

(After Prerequisites are complete)

We are a traditional school and we offer in person training with a web assisted platform.

Your general education requirements may be completed on our platform or we will accept it from

The Nursing Portion of the program has two schedules

Full and Part Time

Once you are accepted you may choose from the following

Full Time

Six Weeks a Semester on campus with /online resources

Each semester is five months

If you choose full time you will finish the nursing portion in two semesters

provided you pass all exams

Part Time

Two weeks per semester on campus /clinicals

/online resources

Each semester is 3-5 months

We give credit/scholarships for course work earned at other institutions

BEFORE school application date

we will not give credit for general education course work earned after application date.

Courses done prior to five years ago must be retaken via CAPSCARE. We will still give scholarships for your time with the previous school however you will have to do

To realize the amount of your scholarship or total amount for the program calculate the classes you have completed.

The total listed on either side is the total amount of your scholarship or overall amount due

Once incoming transcripts are verified you will receive an invoice with the scholarship and total amount due with a monthly payment plan.

Please be sure to pay the 1500.00 tuition deposit in order to begin orientation and to allow the admissions department the permission to verify your credits
